

REGISTRATION

The expected number of participants is 100. All expenses for accommodation and food are included in the registration fee. Concerning transport see the "Travel Plan" section.

Please register for the meeting by sending the attached registration form to Gerda Helene Fogt by 24 November, 2014 - either by e-mail or by mail. Final abstract should be submitted to Gerda (geh@mek.dtu.dk) by 2 February, 2015.

Registration fees

PhD-students (in dbl. rooms) DKK 3,400

Other members: DKK 4,500

The reduced rate for PhD-students is due to extra support from DCAMM and "DCAMM's Støttefond".

The fee for the bus trip from DTU to Hotel Opus is an additional DKK 300.-.

Transport from AAU, AU and SDU is organized separately.

DCAMM's STØTTEFOND

Støttefondens fundats er dateret 4. nov. 1985, og fondens formål er primært at fremme kontakter mellem medlemmerne i DCAMM gennem støtte til DCAMM Symposier og lignende videnskabelige aktiviteter. Fondens midler muliggør støtte til interne møder som det foreliggende ca. hvert andet år.

DCAMM

15th INTERNAL SYMPOSIUM

MONDAY MARCH 16th -
WEDNESDAY MARCH 18th

2015

at

Hotel Opus Horsens

GENERAL INFORMATION

AIM: The aim of the internal DCAMM Symposia is to promote the contact between members of DCAMM, especially the contact to PhD-students and elected §8-members.

PRESENTATIONS: Based on the submitted contributions, the symposium is divided into sections covering the different topics. When submitting contributions (in English) please consider that the audience is a mix of mechanical engineers and applied mathematicians working in a wide range of mechanics related disciplines.

All participating PhD-students are to give presentations about their on-going work. A limited amount of presentations is devoted to talks by regular members. The duration of talks depends on the students study time and newly started students must present their work by a poster.

There will be poster presentations and lecture presentations with a duration of 15-20 minutes.

Participants who want to use PowerPoint or PDF files for their presentations are requested to submit their presentations to Mathias Stolpe – matst@dtu.dk a week BEFORE the symposium in order to avoid delays between talks.
